21st February 2025

Dear Resident/Occupier,

We need to inform you about roadworks on **C1019 Pipe Aston to Monstay Farm, Pipe Aston**. We will be carrying out landslip repair works.

Works will take place under a road closure from **Monday 10th March 2025 to (and including) Friday 21st March 2025**. The road will be closed **24 hours each day**.

The signed diversion route will be via **the C1017 Burrington / C1016 Downton – on – the - Rock / A4113 / A49 / B4361 / Corve Street / Old Street / Whitcliffe Road and vice versa**.

We will make every effort to provide vehicular access to properties within the road closure, but there may be times when it is not possible or there are delays. Help and guidance can be obtained from the dedicated marshals on site.

We apologise for any inconvenience this may cause you. At Balfour Beatty we work in partnership with Herefordshire Council to minimise the impact of our work and aim to keep disruptions to a minimum - we appreciate your patience.

The work schedule may change due to circumstances, like as severe weather. Changes may occur at short notice without further notification. All changes will be shown on advance warning signs at the roadworks site. For the latest information on roadworks in the county, please visit <https://one.network>. You can also follow us on **Twitter via @HfdsStreets** and **Facebook via Herefordshire Highways**.

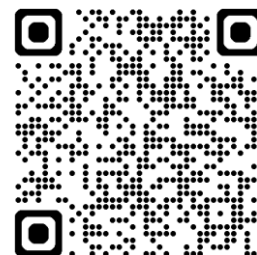

If you have any questions about the roadworks, please use the Contact Us form on the Herefordshire Council website. <https://www.herefordshire.gov.uk/council/contact-us>.

Alternatively, you can call us at 01432 261800.

Yours faithfully,

Project Team
